Spring, 1946 . . . Peace

In all the world, no word had done more to change the recent past, or could do more to brighten the immediate future.

It settled over the battlefields and tanks rolled to a halt, the smoke drifted away, a mud-caked soldier laughed, a bird sang . . . it caressed the jungles and there were no more snipers . . . it filled the air and puffs of ugly flak dissolved into fleecy clouds . . . it whispered to the seas and the rumble of guns became the voices of happy men whose eyes were at last facing home.

Its hope and promise were everywhere. They seeped into the hallways of Georgia Evening College. There, many a man and woman whose last four years had been a strange and unreal half-life were picking up the threads of the real life again: the quest for knowledge, the companionship of friends, the satisfaction from honest endeavor.

The NOCTURNE Editors dedicate this edition to these students of GEC and to those of the past, living and dead, whose efforts helped make possible the peaceful Spring of 1946.

THETA CHAPTER

Since the installation of Theta Chapter, June 9, 1931, Delta Mu Delta has done much to promote a higher standard of scholarship in the Evening College. This fraternity is to promote "higher scholarship in subjects set forth in the curriculum of the Evening College; to stimulate interest in the advancement of scholarly ideals; and to recognize and reward scholastic attainment in the studies as set forth above."

Through the Delta Mu Delta Honor Roll, published each quarter, the records of students of outstanding scholastic rating are acknowledged.

The election of members, selected from the Graduating Seniors, together with two undergraduates, honors those students who have successfully passed the rigid requirements for this, the only national scholarship fraternity in the Evening College.

THE SPEAKERS CLUB

The Speakers' Club was founded at the University System of Georgia Evening College, January 26, 1932, for the purpose of serving the school and better fitting the Speakers' Club members for successful life work; by promoting interest in public speaking among its members; by affording those already interested in public speaking an opportunity to improve their abilities; by encouraging participation in intercollegiate debating; and, as a result, furthering the development of a high standard of education.

THE SPUR CLUB

Purpose: To foster in every possible way an unwavering bond of fellowship among its members, and to create a genuine interest in the art of horsemanship.

Colors: Gold and Blue

Emblem: Horseshoe

The Spur Club, founded in 1936, has continued to share the spotlight in the Evening College's organizational spectrum.

Although the weather has caused many last minute postponements, our goal of at least two rides each month, has been attained. Many of our rides have ended with treasure, and 'possum hunts, picture show parties, steak fries, picnics, and dutch suppers. Our business meetings which have been held following a Sunday afternoon ride have culminated in a dinner in one of the leading city restaurants. Our rides through the great-out-of-doors, followed by a most invigorating breakfast or supper cooked on a grill in North Fulton Park have gathered together large groups of equestrian enthusiasts and have proven to be healthful and fun for all. As added entertainment aside from regular college organizational activity, our moon light rides, square dances, and special parties have added zest to the club's activities.

VENETIAN SOCIETY

FOUNDED 1926

During the war years, the Venetian Society, which was founded and prospered during peaceful times as a social organization of high standing, became briefly inactive, for the purpose of its founding had become secondary. Now, with the return of a peaceful era, there is time again for laughter, for pleasure, for traditional old festivities like the Butter-milk Ball.
