**GEORGIA STATE COLLEGE
ATLANTA, GEORGIA**

**THIS
IS
GEORGIA
STATE**

Georgia State was created as a night school for the growing Atlanta area. It has grown into one of the leading schools in the south and the nation. For this school we give our yearbook, "THE 1962 GEORGIA STATE RAMPWAY."

GEORGIA STATE COLLEGE COMPTROLLER
V. V. LAVROFF

"Home away from home"

V. V. LAVROFF

V. V. Lavroff has shown his devotion to Georgia State College by a lifetime of diligent, patient, and unfaltering service and allegiance. He has given the ultimate force of his strength of mind and body in good times and in bad times as he has helped the College grow. His tenure at Georgia State began in July, 1931, when he began in the job, as he describes it, of stamp licker.

As professor of mathematics, Mr. Lavroff has an excellent perception of both the subject matter and of the students whom he is instructing. The result is that his students both enjoy his classes and learn from them.

As long as the College needed him to do so, Mr. Lavroff served as Head of the Mathematics Department. He has from 1941 served as the Comptroller under one name or another and continues in that arduous and difficult duty.

Mr. Lavroff's chief characteristic is his patient integrity throughout all types of situations. He may be characterized by the full and perceptively interpreted import of Milton's famous statement, "They also serve who only stand and wait."

Mr. Lavroff, we of the 1962 *Rampway* respectfully and gratefully dedicate this book to you with the accolade: *For Service*.

The recent action of the Board of Regents will allow the expansion of Georgia State College in the three phases pictured here.

The drawing suggests one way in which this development may occur. This plan of development, prepared by the Planning Department of the City of Atlanta and patterned closely after two architectural studies already in existence, illustrates graphically the functional and esthetic benefits of urban renewal development to the historic destiny of Georgia State College as the premier educational institution of the Southeast, by equipping it with functional campus components which will implement attainment of the highest possible educational objectives.

The purpose of the Panhellenic Council is to maintain on a high plane fraternity life and inter-fraternity relationships; to cooperate with college authorities in their efforts to maintain high social scholastic standards; and to be a forum for the discussion of questions of interest to the College and fraternity world.

Alpha Omicron Pi

Standing for friendship and service, Alpha Omicron Pi Sorority was chartered at this college in 1957. In their Southern tradition, the AOPi's spend many pleasurable hours during the year. At the traditional Rose Ball each year a trophy is presented to the most outstanding fraternity.

Other annual activities are the Founders Day Banquet, Christmas Party, and "Crying Towel Party" for pledges of all sororities.

The pin is a monogram of the Greek letters of AOPi and the flower is the Jacqueminot Rose.

Philanthropy and scholarship are emphasized now as they were when Alpha Omicron Pi was founded at Barnard College of Columbia University in 1897.

Delta Zeta

The Delta Delta Chapter of Delta Zeta is one of the leading sororities at Georgia State College. The girls participate in many activities both at Georgia State and outside of the school. This year members of the sorority hold such titles as Homecoming Queen at Georgia Tech and Georgia State, Miss Perfect Lips at Georgia Tech, Alumni Beauty Queen at Georgia State, and Sweetheart of Kappa Sigma, Sigma Phi Epsilon, and Delta Tau Delta Fraternities. Many of the girls are members of the cheerleading and majorette corps at Georgia State. Not only do the girls receive honors for their beauty, but also for their abilities as leaders and intelligent young ladies. They hold such positions as President of General Council, President of Crimson Key Honor Society, and President and Treasurer of Alpha Lambda Delta Honor Society. The sorority has been honored to receive the Kappa Sigma Outstanding Sorority of the Year trophy every year since it has been offered.

The annual events of the year are the Silver Tree Ball, at which time the Man of the Year is named, the Pledge Party, the Valentine Dance, the Spring Dinner Dance, plus, many informal parties throughout the year.

When speaking of Delta Zeta one cannot leave out the love and sisterhood practiced in the sorority. This speaks more of Delta Zeta than its accomplishments, as it continues to strive for the betterment of the school and of society.

The officers are Norma Bullard, president; Mary Ann Eberhardt, 1st vice-president; Page Johnston, 2nd vice-president; Sandy Smith, treasurer; Patty Wynne, recording secretary; and Janet Martin, corresponding secretary.

Kappa Theta

Kappa Theta Sorority was founded locally in 1937. Since that time the sorority has made many strides forward. Kappa Thetas have proven their leadership ability by having the secretary of the Night School Student Council; Freshman, Sophomore, and Senior Class officers; membership in Student Government Association; a member elected to Who's Who Among Students in American Colleges and Universities for 1960-61 School Year; membership on the staffs of the school publications; membership in General Council, Panhellenic, and other councils sponsored by Georgia State. Within the sisterhood of Kappa Theta are several beauty queens and sweethearts of fraternities. During the 1961 Greek Week festivities, Kappa Theta won first place in the Sing Night competition.

The aims of Kappa Theta are to strengthen social ideals in their highest levels, and to promote understanding and fellowship among the members. To accomplish these aims, Kappa Theta has many scheduled events during the year. Among these events are: a Halloween Party, a Christmas Welfare Party, two houseparties, and at least one scheduled social event each month. To climax the year's activities, Kappa Theta holds its annual spring formal, the Maytime Ball. At this time, the officers for the coming year are announced, and awards are presented to outstanding members.

Zeta Tau Alpha

Zeta Tau Alpha Fraternity was founded in 1898, and is one of the oldest and most outstanding social organizations in existence today. Delta Lambda Chapter was installed at Georgia State College in November, 1961.

Quality is the keynote of the membership selection policy of the Fraternity. Zeta Tau Alpha requires the strictest standards of personal and group conduct, the best in grooming, poise and conversation, and all the thoughtful courtesies which mark a well-mannered college woman. There is no "Zeta Type." Diversity of interest is the chief characteristic of a Zeta Chapter.

Among a few of the honors won by Zetas at Georgia State are May Day Queen, Panhellenic Scholarship Cup, Zeta Tau Alpha Award to Outstanding Woman Student, Senior Award, Wall Street Journal Award, Crimson Key Award, Phi Chi Theta Scholarship Key, W. S. Kell Award, and George M. Sparks Scholarship Award.

The philanthropic project of the Fraternity is the treating and training of cerebral palsied children. At Thanksgiving and Christmas the Chapter helps some needy family. At Christmas the Chapter decorates a Christmas tree in the childrens' ward at Grady Hospital.

Social events include Founders' Day Tea, Awards Banquet, Summer Beach Party, Masquerade Ball, Christmas Dinner-Dance, Spring House Party, and many others.

The officers are Elizabeth Peterson, President; Susanne Key, Vice President; Pat Ellison, Secretary and Virginia Miller, Treasurer.

Piedmont Nurses

Piedmont Nurses is one of the three hospital nurse training programs at Georgia State. The first year nursing students attend our school during the Fall and Winter terms each year. For hours on end each day they are pumped full of sciences, English, and history. At the conclusion of the day at Georgia State, they return to Piedmont Hospital, where they are subjected to many more hours of hard on-the-spot training. The lot of the student nurse is neither an easy one nor one that allows for much spare time. However, along with the drudgery of academics and training goes a commendable spirit of unselfish devotion to the pursuit of humanitarianism and the self-satisfaction that attends it.

Piedmont Nurses do not neglect the social side of college life in their brief period with the school. At almost all of the social functions of the College, the nurses participate.

CLASS SECTION

Graduates

The Master of Business Administration degree will be awarded for the third time in June. The primary objective of the graduate program is to prepare men and women for positions of administrative responsibility in business, governmental, and other organizations. Preparation for administrative positions requires a broad understanding of business and organizational problems, an intimate knowledge of effective methods for solving them, and a subtlety of mind in the recognition and solution of problems. The graduate program is designed to provide the student with such knowledge and understanding, supported by a moderate specialization in a particular area of organizational activity.
