## Spring Festival

1969's Spring Festival was a salute to "America the Beautiful," complete with a representation of the fifty states on the lawn of Hurt Park. The GSU choir and band welcomed spring with a concert of patriotic numbers. The drill team, majorettes, and Pershing Rifles also performed for GSU's most beautiful girls.

Chairman Stan Snead conducted the ceremonies as the crowning of Miss Blanche Hester, May Queen, highlighted the festivities. A reception honoring the Queen and her court followed the Festival. Spring Festival is held each year in Hurt Park during Spring quarter for the entertainment of G.S.U. students.

# Lecturers

The Lyceum Lecture Series seeks to present people who help to form international, national, and local opinion. Last spring, the first lecturer was William H. Whyte. The author of the **Organization Man** spoke on April 21, 1969 in Sparks Assembly Hall. On May 5, Hugh Schonfield, author of **The Passover Plot**, delivered his lecture on religion. The late Drew Pearson spoke about behind the scenes politics in Washington on May 19, 1969.

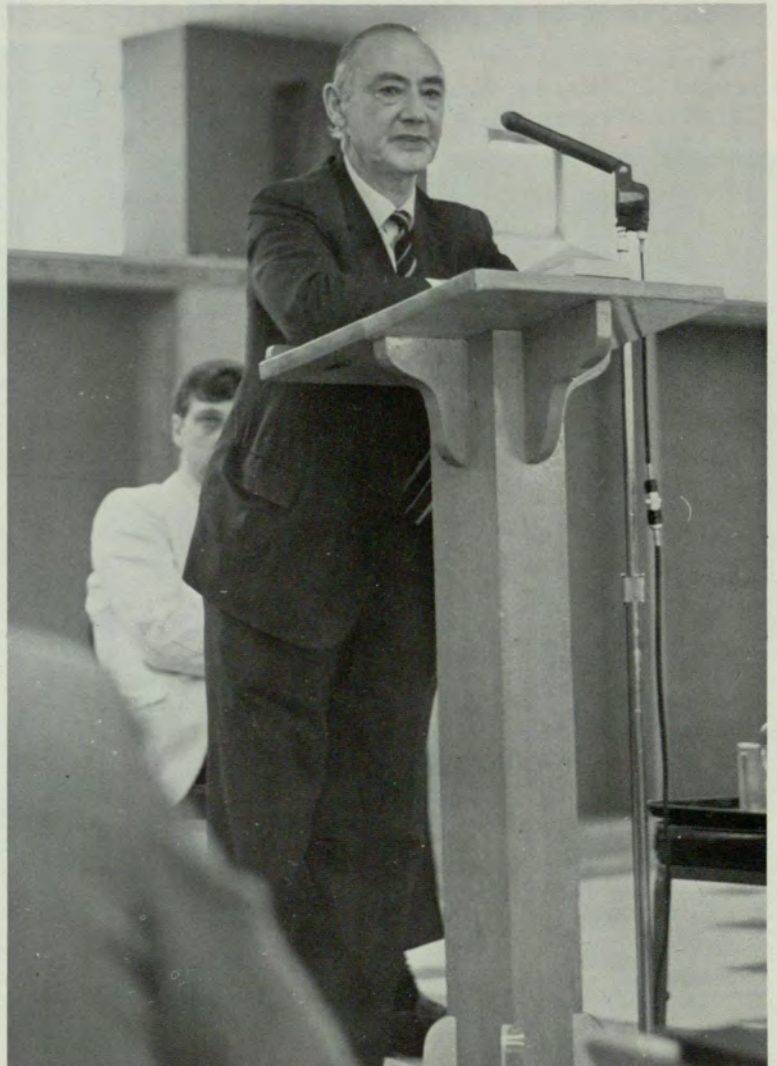

During fall quarter, lecturers Martin Bookspan and Fletcher Knebel were featured. Critic and author of several books about the tyranny of technology, Mr. Bookspan spoke on its effect on the world. David Susskind, producer-moderator of the T.V. program "Open End," told of his meetings with well known personalities on February 16, 1970.

DAVID SUSSKIND tells of famous personalities in his "And then I met ..." speech for the Lyceum series.

MARTIN BOOKSPAN speaks out against the ills of technology.

AUTHOR OF **The Passover Plot**, Hugh Schonfield, discusses the ethics of Christianity in today's world.

# Concerts

A major concert is presented at Georgia State each quarter. The "One Way Street" presented a wide variety of music during last spring's concert on April 16, 1969. Anthony and the Imperials performed in concert on April 8, 1969 at the Municipal Auditorium. Their show was composed mostly of new songs and only a few of the ones they made famous.

The Lettermen Concert, presented at the Auditorium during the week of Homecoming, featured a variety of old and new hits of the Lettermen. The audience participation numbers were among the best routines of the concert. Dionne Warwick performed many of the songs she made popular during her concert at the Atlanta Civic Center on March 9, 1970 sponsored by the S.G.A.

DIONNE WARWICK does a ballad for the romantics in the audience.

ANTHONY AND THE IMPERIALS present an updated show with only a few of the popular oldies.

# The Tender Trap

The Georgia State University Players presented **The Tender Trap**, October 15-18, 1969, in the nearly completed Little Theater. The hilarious comedy of how a man chases a girl until she catches him was written by Max Shulman and Robert Paul Smith.

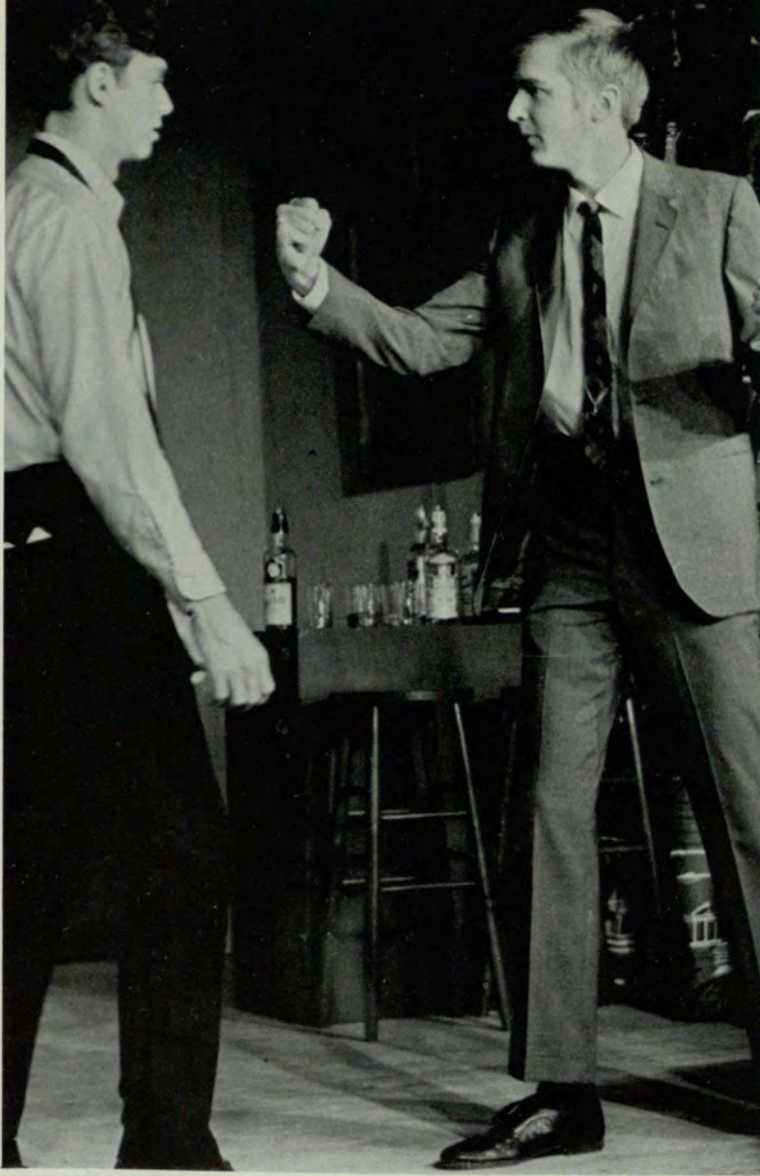

Veteran Georgia State Players Ken Suggs, Allan Lipsett, Pat Thigpen, Carl Blakeman, Georgia Bedford and Mark Conway, with newcomer Rosa Robinson, composed the cast for the play. Nancy Noblin directed the comedy. The entire production was under the supervision of Georgia State's Drama Director, James E. Sligh.

JOE (Ken Suggs) plans for a quiet evening with Sylvia (Pat Thigpen) unaware that this is the push needed to make Charlie propose.

CHARLIE READER (Allan Lipsett) finds the road to love a rocky one, as one fiancée (Rosa Robinson) tells him off as the other (Pat Thigpen) listens.

CHARLIE READER (Allan Lipsett) is confronted by Earl Lindquist (Carl Blakeman), a would-be-suitor for Julie Gillis.

JOE AND SYLVIA (Ken Suggs and Pat Thigpen) are on their way to buy "goodies" for an engagement party, but as usual Charlie (Allan Lipsett) has to pay.

## ΠΚΑ Trike And Bike Race

Kappa Sigma fraternity and Delta Zeta sorority captured first place in Pi Kappa Alpha's annual Bike and Trike Race. Held in the spring, the 1969 race took place on a drizzly Saturday morning with only a few spectators and bikes to watch the teams of four ride their trikes and bikes around the one mile track at Piedmont Park.

Miss Karyl Kuhn, representing Delta Zeta, was crowned Little Miss 500. This was awarded by the amount of money collected through the week for the Leukemia Fund. Pi Kappa Alpha donated approximately \$1,500 to this fund.

CHARLIE SMITH, a member of Kappa Sigma's winning team, rounds a curve in the Pi Kappa Alpha Bike Race.

ZETA TAU ALPHA and Delta Gamma's cyclists find that riding a trike is harder than it looks.

# Senior Week

Since 1960, Georgia State University seniors have been honored during Commencement Week each spring. Last year Chairman Sid Elliot and Co-chairman Millie Lunt planned the activities for the seniors' last week at Georgia State University.

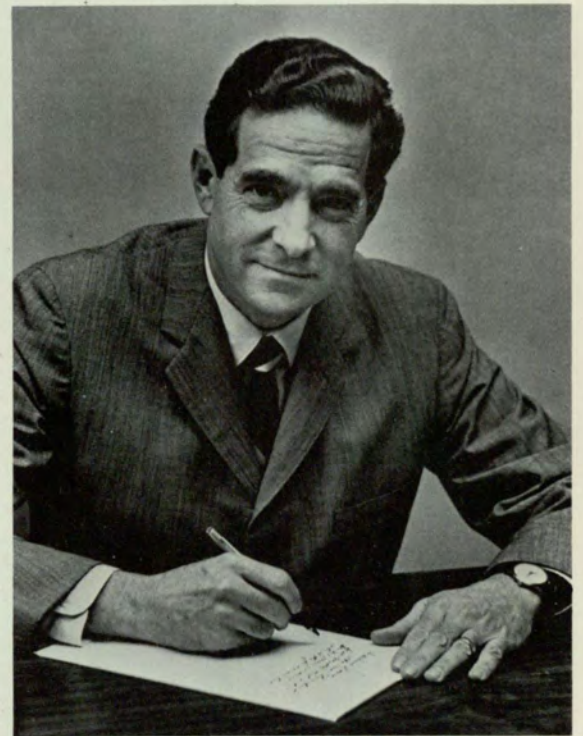

Commencement Week was highlighted by an Alumni Buffet Dinner, a play presented by the Georgia State Players, a barbecue at Indian Creek Lodge, a concert by the university orchestra, class exercises, a dance at the Marriott Motor Hotel, the Senior Breakfast, the Crimson Key Citation Ceremony, the ROTC Commissioning Ceremony, and a reception following the Commencement Exercises in Sparks Assembly Hall.

ADMINISTRATION and faculty alike honor the graduates on this night.

FOUR YEARS of effort are amply rewarded by the receiving of the well-earned diploma in ceremonies held at the Auditorium.

DR. MORRIS ABRAM, President of Brandeis University, spoke at Graduation.

# Conclave

Georgia State University's Conclave held each summer at Rock Eagle has steadily improved in quality and in freshman participation. Chairman David King and Tom Venker, with student counselors, succeeded in organizing an excellent Conclave for GSU incoming students.

The agenda of activities included panel discussions of college life at GSU, assemblies with the Deans and daily religious programs. During their leisure hours the students participated in sports and attended several dances. The freshmen that attended gained an insight into the college life at Georgia State.

## Pre-Orientation

Chairman Jon Simmons and Co-chairman Richard Belcher selected the Marriott Motor Hotel as headquarters for GSU's summer pre-orientation program in 1969. Groups of freshmen spent two days attending seminars, consulting with GSU advisory personnel, and touring the campus. In addition to informing the freshmen about GSU, the committee planned pool-side sessions and local concerts for the entertainment of freshmen during their stay at the Marriott.

Three pre-orientation sessions were held during the summer. They were helpful to the entering freshmen because they provided a glimpse of their college life ahead here at Georgia State.

# Orientation

GSU's week long orientation program was held the first week in September. Dee Dee Ruff, Teresa Kerr, and Paul Jones as chairmen provided dances, a picnic and the usual instructional material for new students.

Post-Orientation led by Chairmen McRae Williams and Cindy Nix is a period following the week of Orientation and lasts for about month. Its purpose is to indoctrinate freshmen as to rules, procedures, and traditions of GSU as well as strengthen "class spirit." It was climaxed this year by the Freshman-Sophomore Dance held at the Sheraton-Biltmore.

# Homecoming

## Σ N Sweepstakes

The cold weather did not prevent the fierce competition in this year's Sigma Nu Sweepstakes held at Indian Creek Lodge. This event is held each fall prior to Homecoming Week. There were new contests this year with the chasing of a greased pig and a grapefruit relay.

Blanche Hester, a Delta Zeta, won, for the second year in a row, the Miss Body Contest. Other favorite events that encouraged competition between sororities were the mud pit race, ride a brother contest, and tug-of-war. Delta Zeta Sorority won Sweepstakes for the second year consecutively.

CONTESTANTS receive cold shock as they find a place in musical tubs.

# Mardi Gras

This year's Mardi Gras began with one-hour concerts by "The Screebs and Farkles," a GSU group. The performances were given in Sparks Assembly Hall on Thursday, February 19, at 10 a.m. and 4:30 p.m.

Twenty-five university organizations set up concessions for the 4:30 opening of the carnival in the Municipal Auditorium, Saturday afternoon. Mardi Gras Chairman Stan Snead and Co-chairman Millie Lunt brought "Mel and Tim," "Metros," and "Freedom" to perform during the dance that began at 7 p.m. At 9, Tommy Barber and Susan Flynt were declared King and Queen of Mardi Gras. ## Cross-Country

The Georgia State Cross-Country team kept up its winning tradition in 1969 by posting an impressive record of 7 wins and 4 losses. Led by a group of talented freshmen and experienced upper-classmen, the team won 6 straight meets before being downed.

Freshmen Ricke Johnson, Tom Raynor, Danny Lasseter, and Terry Lawler received outstanding support from Sophs Dave Deviney and Ronny Batchelor. Four-year-veteran Frank Clegg completed his varsity eligibility with a fine year. Coach Tim Singleton added the experience to mold the team into a contender in the Southeast. In the Collegiate Cross-Country championship the months of practice paid off as the team captured fourth out of a field of thirteen fine teams from the state of Georgia.

# Cheerleaders

This year the Georgia State Cheerleaders have been more active than ever. They attended seven of the away basketball games in addition to the home games at O'Keefe Gym. They have been active in the G-Club and helped to promote school spirit throughout the year in many activities.

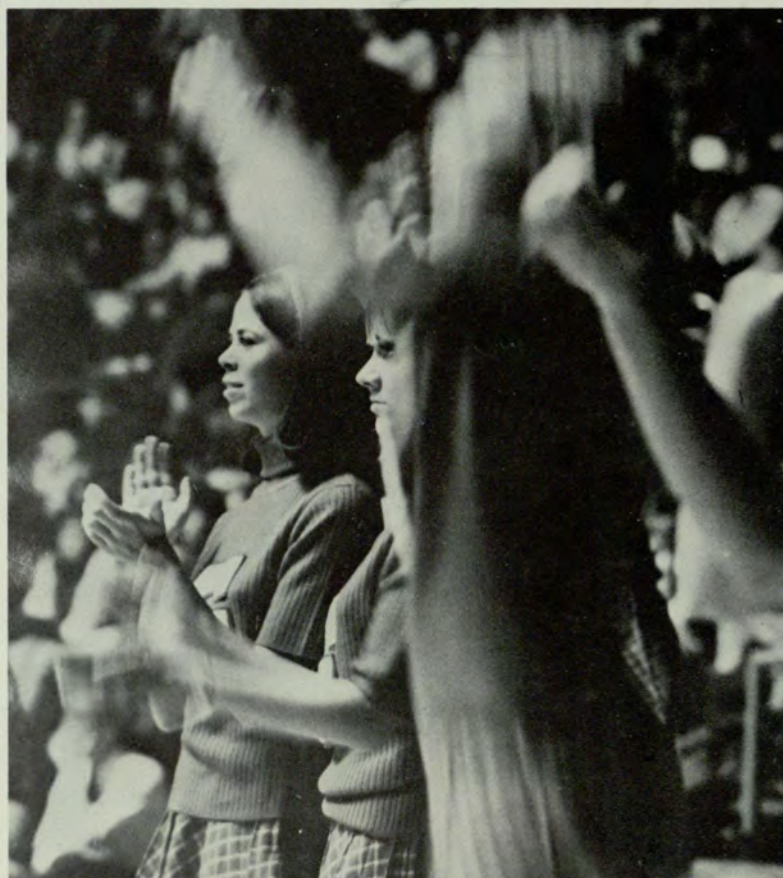

The Cheerleaders also supported the Georgia State Soccer Team and helped them with their victories. The new Cheerleaders are chosen during fall quarter by the squad's captain, advisor and the Faculty Athletic Committee. If they maintain a 2.0 grade average they are members of the squad until they graduate.

## Majorettes

Members of the Georgia State majorettes have an excellent opportunity to help build school spirit. Originally, the group was formed to entertain during GSU basketball half-time shows. Because of their skill, however, they have also been asked to participate in other University activities. This year the majorettes participated in Spring Festival, Freshman Conclave and Orientation pep rallies, the Homecoming Parade, and basketball half-time shows. They went away to more basketball games than in previous years. The squad also increased the difficulty of their show by adding more two-baton routines. Majorette try-outs are in the early fall. Plans are being made this year to begin recruiting in the spring at local high schools.

MAJORETTES provide special entertainment for half-time during Panthers' games.

## Soccer

A review of the post season for the Georgia State University Soccer Team shows impressive gains in athletic achievement and techniques of play. The Panthers played ten matches with nine major universities and colleges in this area.

The team roster listed ten regulars returning and ten first year players. The newcomers established themselves early, and after the first two matches the team had become one of the better teams in the South.

The team should be greatly improved with the return of all regulars except one and the addition of several local high school players.

The Georgia State Drill Team is composed of sixteen members and four alternates. They perform intricate drills and dance routines to popular music. Well-known for their half-time performances at Georgia State basketball games, they also participate in the Homecoming Parade and Spring Festival. All of the drill team members spend time each week practicing for these and other performances. Formed only two years ago, the team is sponsored by Mrs. Pickett Riggs.

# Band

During the past year the Georgia State University Band performed several interesting engagements. Fall quarter the band assumed the role of the official band of the Atlanta Falcons and played at all the home games. On January 16, the band was honored to perform at the state-wide Georgia Music Educators Association Convention. Then on March 13, the band gave an excellent program at the G.E.A. convention. In the spring the band toured several area high schools, appeared at the annual Dogwood Festival, and the G.S.U. Spring Festival. The final performance was May 31 at the Commencement Exercises. The band officers for 1969-70 were Claude Shaw, President, and Mike Wilson, Vice-president. Membership in the band is not restricted to music majors.

**INDIVIDUAL MEMBERS** of the Band work hard to improve their talent.

# IFC Football

This year IFC football was divided into two leagues in which the top two teams in each league competed in a play off for the championship. This division created more competition for the Greek teams and added to the interest of all participants.

Kappa Sigma captured the championship for the 1969 season with Tau Kappa Epsilon winning second place. Sigma Nu and Sigma Phi Epsilon finished third and fourth, respectively. Outstanding players in each league were named to the IFC All Star team.

## I.F.C. Basketball

This year's IFC basketball league was highlighted by high scoring and strong competition. Many of the games ended with scores well past the hundred mark.

Again, the Pi Kappa Alpha's fielded a strong team and won their league with Kappa Sigma finishing in second place. Sigma Phi Epsilon won their first divisional championship with Alpha Tau Omega claiming second place in their league.

## Intramural Football

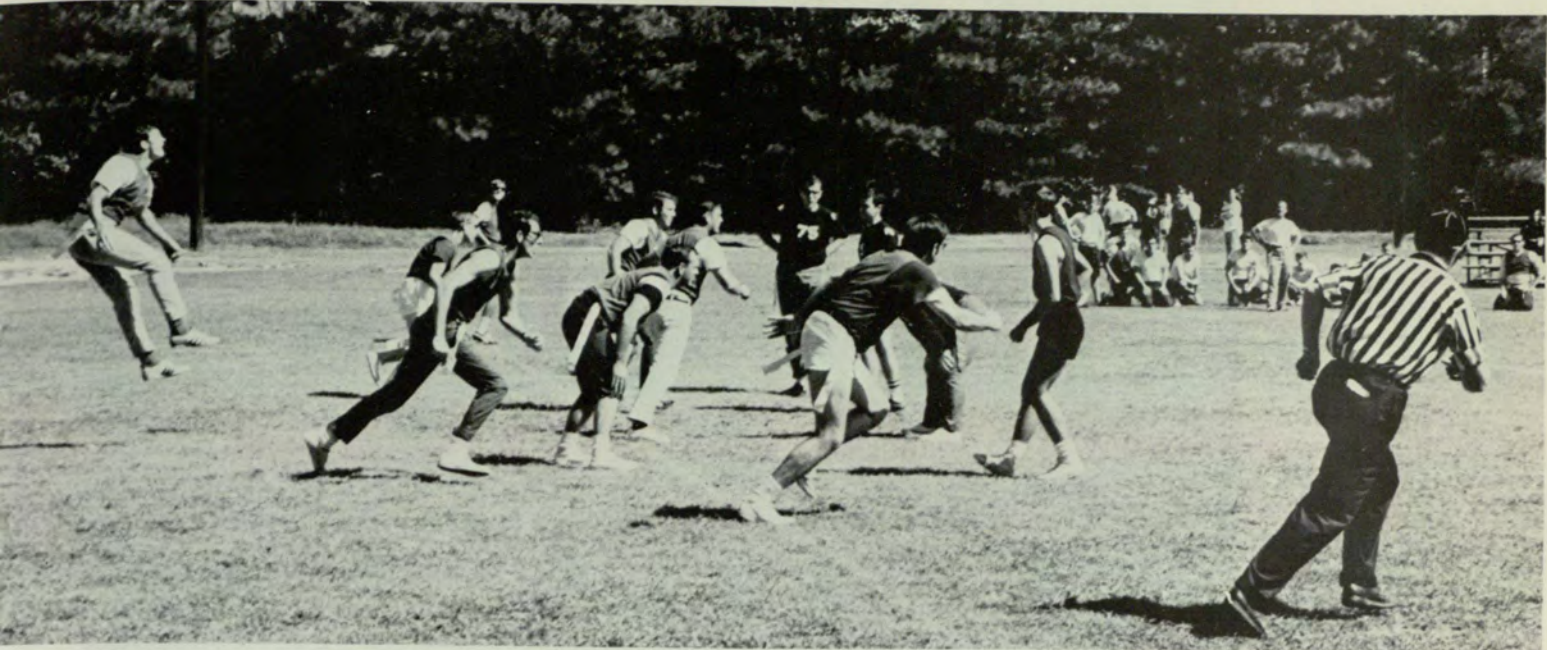

GSU's Student Intramural program began three years ago under the direction of Dean Singleton and Ray Phelps. Student interest and student involvement brought about its formation and made possible its continued growth.

Paul Scheufler co-directed the activities of some 200 students who participated in intramural flag football this fall quarter.

The winner of the 1970 Intramural League was the Pick Ups, who showed great skill in capturing the honor.

# Intramural Basketball

The Court Jesters and Team One both won their respective division titles and will square off for the G.S.U. Intramurals Championship. With twice as many teams participating this year, both league competition and the quality of game play have increased greatly.

Those participating in the Intramurals this year were the Court Jesters, Team One, BSU, Checkmates, and the Bio-Chems.

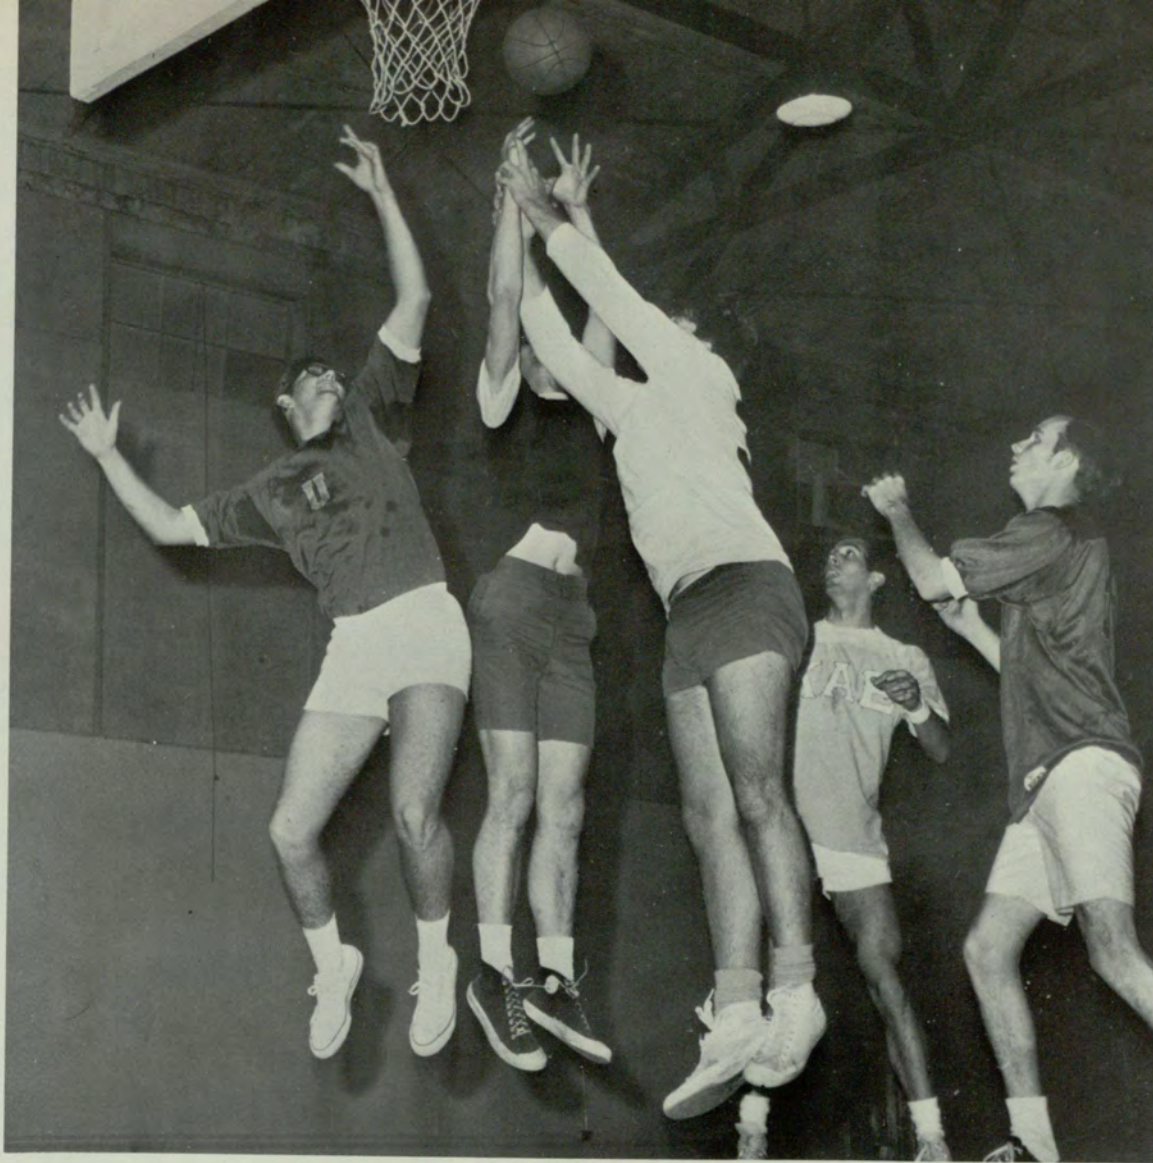

This was the second season of intramural basketball at Georgia State.

## Basketball

This year's Panther basketball squad compiled the best won-lost percentage in the history of the school. The season record was 8 wins and 14 losses.

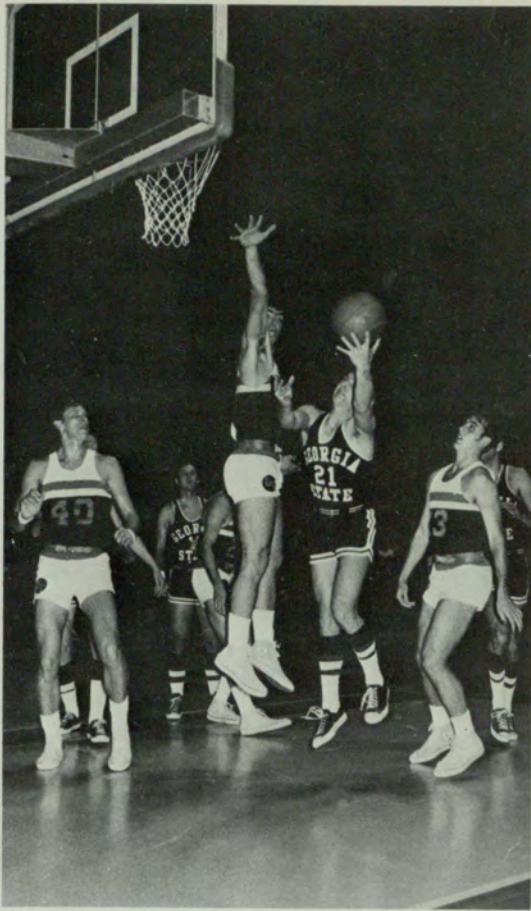

The squad started the season at home against small college power Oglethorpe, losing 48-61 at O'Keefe Gymnasium. Following that game, the Panthers reeled off six victories in a row before bowing to Loyola University.

The high point of the season came at O'Keefe Gym on the evening of January 23, 1970 against arch rival West Georgia College. The Panthers, playing a near perfect game, ousted the Braves 94-78, bringing the season record to 7 wins and 2 losses.

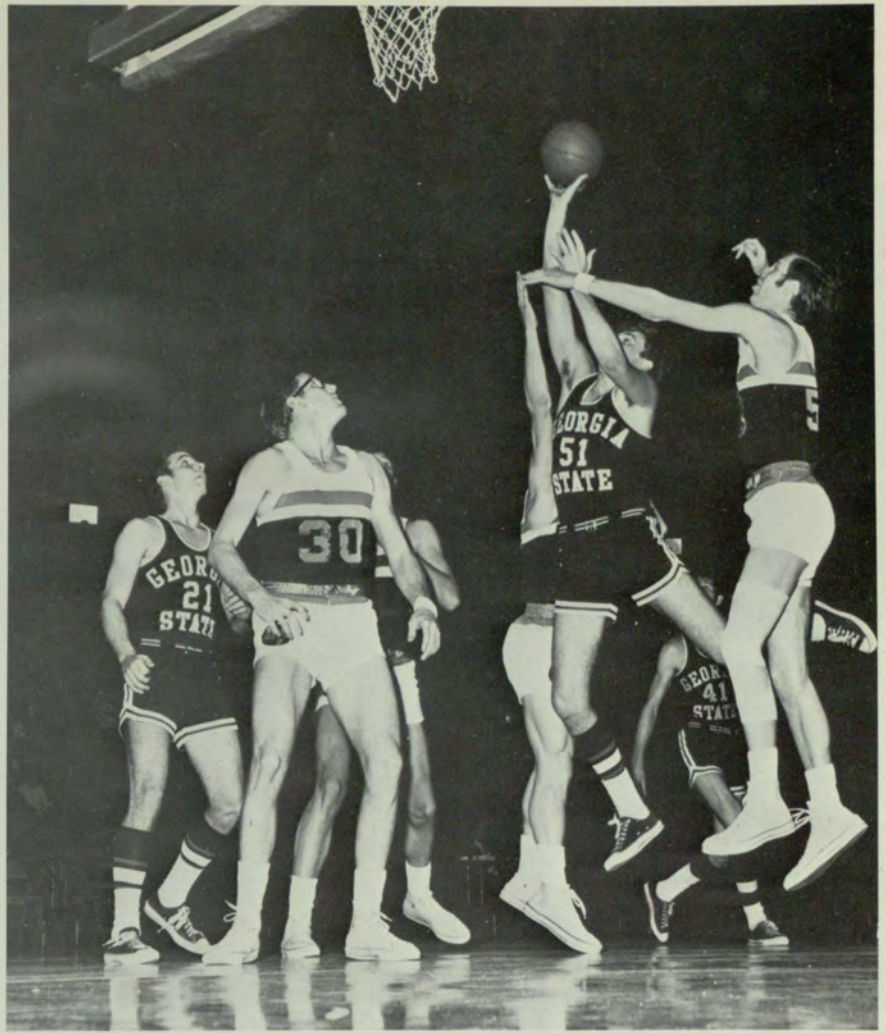

During the last seven games the Panthers, hampered by injuries to many key players, managed only one win and six losses.

The 1969-1970 season was a major step toward the goal of a major university division schedule. The appearance of Georgia Tech, Loyola, and Furman along with Mercer, University of Tennessee at Chattanooga and Florida Southern held over from previous years gave the Panthers a very representative schedule for a university team.

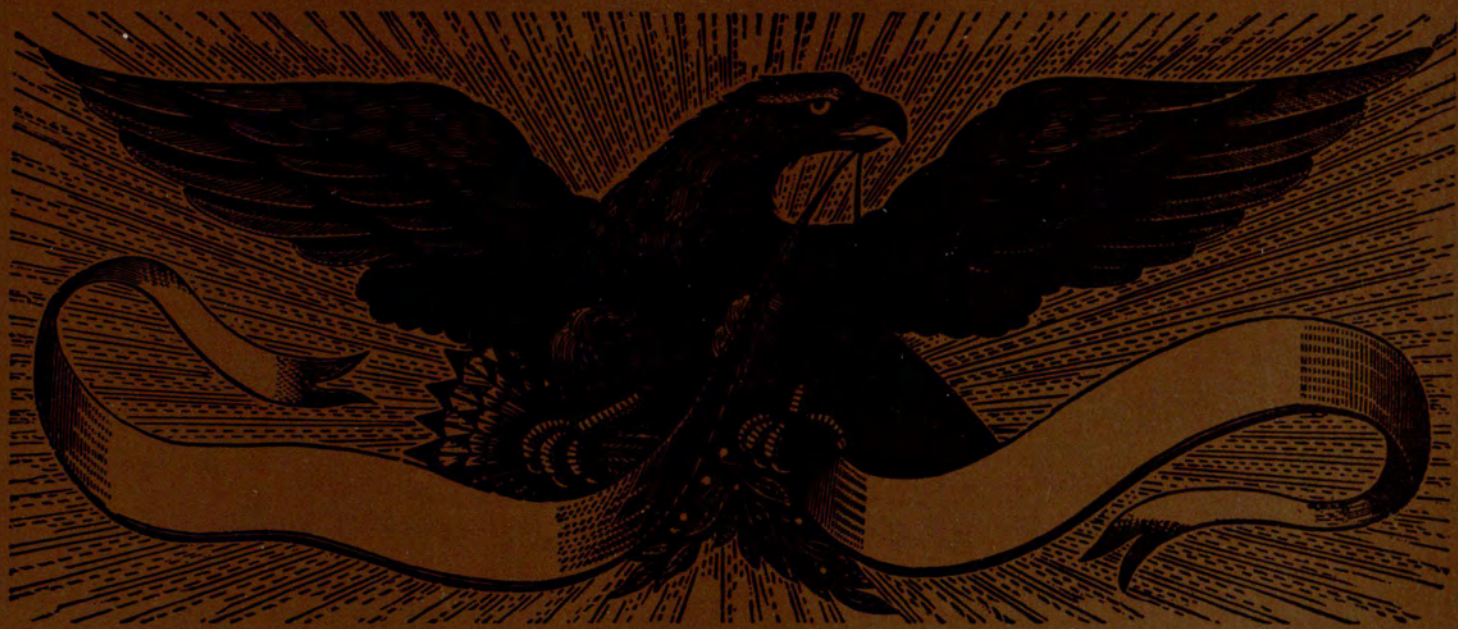

Not only was the season a successful one from a team standpoint, but also from an individual standpoint. Senior Ken Brewer established the single season scoring mark of 376 points for a 19.8 per game average. Senior Al Dickson scored the single season field goal percentage record with 134 field goals in 261 attempts. Senior Rankin Thomas was the leader in free throw accuracy, hitting 57 out of 68 attempts. The leading rebounder was Junior Tom Pritchard, who grabbed an average of 9 rebounds a game.

such as ANDREW D. WHITE, WILLIAM DEAN HOWELLS, ANDREW LANG, DEAN FARRAR, HENRY JAMES, Prof. J. P. MAHAFFY, Hon. W. E. H. LECKY, Prof. EDWARD DOWDEN, Pres. DANIEL C. GILMAN, Hon. JOHN BIGELOW, Prof. J. B. MCMASTER, Dr. HENRY VAN DYKE, Hon. LESLIE STEPHEN, Dr. LYMAN ABBOTT, Col. T. W. HIGGINSON, Prof. RICHARD T. ELY, PAUL BOURGET, FERD. BRUNETIÈRE, JOHN BURROUGHS, Hon. CARL SCHURZ, PAUL LEICESTER FORD, LAWRENCE HUTTON, and *over 200 others* of notable literary prominence.

The monumental task of selecting, arranging and publishing in convenient form has been admirably done by CHARLES DUDLEY WARNER, as Editor-in-Chief, with the cooperation of HAMILTON WRIGHT MABE and other able Associate Editors, assisted by the following Advisory Council from our leading institutions of learning:

Prof. CRAWFORD H. TOY, A.M., LL.D., of Harvard.  
Prof. THOMAS R. LOUNSBURY, LL.D., L.H.D., of Yale.  
Prof. WILLIAM M. SLOANE, Ph.D., L.H.D., of Columbia.  
Prof. BRANDER MATTHEWS, A.M., LL.B., of Columbia.  
Pres. JAMES B. ANGELL, LL.D., of University of Michigan.  
Prof. WILLARD FISKE, A.M., Ph.D., late of Cornell.  
Prof. EDWARD S. HOLDEN, A.M., LL.D., of University of California.  
Prof. ALCÉE FORTIER, Lit.D., of Tulane University.  
Prof. WILLIAM P. TRENT, M.A., of University of the South.  
Prof. PAUL SHOREY, Ph.D., of Chicago University.  
Dr. WILLIAM T. HARRIS, LL.D., U. S. Commissioner of Education.  
Prof. MAURICE FRANCIS EGAN, A.M., LL.D., of Catholic University of America.

Our arrangement providing for the distribution of this GREAT LIBRARY is about concluded. There are but a few sets left of our special edition; we therefore notify REVIEW readers that if they are interested in securing THE WARNER LIBRARY at the present price, and on easy terms of payment, that it would be well to write for full particulars at once.

**THE ROAD NOT TAKEN**

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth:

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

### SELF-EMPTYING ASH TRAY OF THE FUTURE

Bright Romantic moon brings love birds **(A)** together on perch **(B)**, causing string **(C)** to upset sprinkling can **(D)** and wet shirt **(E)**. Shirt shrinks, unveiling portrait **(F)**. Dog **(G)**, seeing portrait of his master, wags tail, brushing ashes from tray into asbestos bag **(H)**. Smoldering butts ignite rocket **(I)** which carries bag of ashes out the window into the far reaches of the sky.

This should encourage young couples to start families, because the children can wear the shrunken shirts.

## ΑΟΠΙ

Derby Day, Homecoming, Mardi Gras, Elections, Greek Week, and Sweepstakes—these are a few of the activities AOPi's engage in. Participation in these and other activities bring AOPi's together as well as show spirit and enthusiasm in their sisterhood.

An AOPi is one who gives, too. Throughout the year we work to promote the national philanthropic project, The Arthritis Foundation. At Christmas, we send presents and cards to men in the war in Vietnam.

The sisterhood of Alpha Omicron Pi comes through by their achievement in the activities we participate in. Love of one's sisters grows stronger when we work together. As a result, AOPi placed second in Skit Night and Sing Night, and first in Sigma Chi Derby Day. Because of these and other activities, AOPi was awarded the Kappa Sigma Most Outstanding Sorority of the Year Trophy.

Alpha Omicron Pi is much more than a sorority. It's a tradition which began with four girls at Barnard College of Columbia University, on January 2, 1897. The spirit of this tradition was brought to Georgia State University on October 6, 1956 and grows stronger with the passing of every year.

## ΑΦ

As Alpha Phi enters its fifteenth year at Georgia State, its members continue to value its ideals of sisterhood and individual growth.

Alpha Phi, the oldest national sorority on campus, sponsors the Olympics for fraternities, pledge slave sale, Valentine Heart Dance for cardiac aid, Faculty Dinner, Mother-Daughter Dinner, Christmas Party and Bordeaux Ball. First place for Sing Night, the Alumni Trophy for Basketball Spirit, and the Panhellenic Scholarship Trophy have also been awarded Alpha Phi.

Individual honors include captain and co-captain of the majorettes, captain of the cheerleaders, Pershing Rifles sponsor, Miss Freshman finalist, SGA President's Cabinet, assistant editor of the SIGNAL, members of the Drill Team, Belle Corps, Sigma Phi Epsilon sweetheart court, Pi Kappa Phi little sisters, Council for Exceptional Children, G-Club, and General Council.

Members of honor societies include president and vice president of Crimson Key, president and secretary of Alpha Lambda Delta, and Beta Beta Beta secretary. This year Alpha Phi's served as chairman of the Leadership Conference, co-chairman of Commencement Week, and pre-orientation, orientation, and Conclave counselors. Alpha Phi's won the Eva Whetstone Panhellenic Award, Alpha Xi Delta Cup, SIGNAL Newswriting Award, G-Club Spirit Award, and three members were elected to Who's Who in Colleges and Universities.

*Ships came over the sea,  
 leaving people to a new  
 and unknown land.  
 They found this country  
 to be a land of plenty.  
 Rich earth, green hills, a  
 forest and freedom—  
 Freedom to be themselves.  
 It was for these gifts that  
 they gave thanks on that  
 first Thanksgiving long ago.  
 It is in this spirit that  
 we give thanks today.*

## ΑΞΔ

Alpha Xi Delta was founded nationally at Lombard College in Galesburg, Illinois, on April 17, 1893. The ten founders chose as their colors, double blue and gold, with the pink Killarney rose as their flower. These ten founders made Alpha Xi Delta active in campus life as well as community life. The Delta Xi Chapter of Alpha Xi Delta, established at Georgia State on October 26, 1963, has demonstrated the same leadership qualities that its founders envisioned seventy-seven years ago. The numerous chapter honors demonstrate this fact. Together with Tau Kappa Epsilon Fraternity, Alpha Xi Delta received second place for the best Homecoming Float. The Spirit Award and the Best Participation Award at Homecoming have been won for two consecutive years by Alpha Xi Delta.

Individual honors are also many among the sisters. First runner-up in the Mrs. Homecoming contest, pledge sweethearts of Sigma Phi Epsilon, Alpha Tau Omega, and Delta Tau Delta Fraternities as well as the sweethearts of Pi Kappa Phi and Chi Phi Fraternities are Alpha Xi Deltas. Leaders and members in the student government and many other campus organizations are also Alpha Xi Delta members.

These achievements reflect the outward excellence of our sorority, but the inner quality is more important. That inner basis for true sisterhood comes from sisters who love one another and put their love and support into Alpha Xi Delta.

## ΔΓ

On a December day in 1873, Delta Gamma Fraternity was born at Lewis Institute in Oxford, Mississippi. From that day to the present, DG has grown and expanded into 100 chapters throughout the United States and Canada. It currently ranks among the top three national sororities.

DG's can boast of many achievements in their short existence on Georgia State's campus. Chapter honors include first and second place for the past two years in basketball, first place in Mardi Gras, and first place in the Sigma Chi Derby Spirit Award. Individual honors are numerous among the sisters of Delta Gamma. DG's presently hold the positions of member-at-large of General Council, treasurer of Panhellenic, Greek editor of the Rampway, officer of Sigma Tau Delta fraternity, undersecretary of Inter Campus Affairs. Other sisters are members of the drill team, Pershing Rifle Affiliates, little sisters of Pi Kappa Phi and Sigma Phi Epsilon, and committee heads of Homecoming, Greek Week, Mardi Gras, and Commencement Week, as well as on the Dean's List, and Falcon Cheerleading Squad.

Several Delta Gamma's have also been awarded the Outstanding Senior Award as well as election into Who's Who and Beta Beta Beta.

Although DG's work very hard in school, they are never too busy to have fun. The Fall pledge dance, dinners with the Phi Delta Theta's and Chi Phi's at Georgia Tech, the annual orphans' Christmas Party, and the Golden Anchor Formal are a few of the highlights of a Delta Gamma year.

## ΔΖ

Delta Zeta's history at Georgia State began in 1955 when it was the first national sorority installed on campus. Founded in 1902 at Miami University of Oxford, Ohio, Delta Zeta is the largest national sorority in the world.

Delta Zeta's individuality accounts for the diversified accomplishments of the sorority. The honors Delta Zeta's have received exemplifies their bond of sisterhood. Some of these include first place awards in Sigma Nu Sweepstakes, Skit Night, the Homecoming Float, Pi Kappa Alpha Trike Race, and Panhellenic Athletic Trophy. Delta Zeta has also received the Kappa Sigma trophy for the Most Outstanding Sorority eight out of the ten years it has been given at Georgia State.

Individual honors of Delta Zeta include Miss Georgia State, Miss Homecoming, May Queen, Miss Rampway, Greek Goddess, Little Miss 500, and several members of each court: DZ's are sweethearts of Pi Kappa Alpha, Alpha Tau Omega, Tau Kappa Epsilon at Georgia Tech and Georgia State, and Pledge sweethearts of TKE and Pi Kappa Alpha.

Delta Zeta's have participated as class officers, cheerleaders, majorettes, drill team members, and editor of the Rampway. Because of these activities Delta Zetas have been named to Who's Who, Crimson Key, and other honoraries.

The emphasis on training in many fields has allowed Delta Zeta to be given the opportunity to strengthen those talents that one is already aware of and to discover and develop new talents in a strong and lasting bond of sisterhood.

Surrounding the central graphic are circular portraits of the officers listed in the text above.

## ΔΣΘ

Delta Sigma Theta, Inc. was organized by twenty-two women on January 13, 1913. Charter members of the Zeta Phi chapter are Sorors Carolyn Bailey, Careatha Daniels, Peggy Durrah, Sheryl Hill, Mormerene Merritt, Frances Mills, Ryland Needom, Lynda Peek, Annette Savag, Bernita Stanley, Masine Tanker, and Brenda Woods. Graduate sorors are Valerie Watts, who is working on her Master's Degree in History, and Carolyn Banks, who is working on her Master's in English.

Not quite a year old, the Zeta Phi chapter has begun to work toward its goals of scholarship, fellowship, and service. The chapter members were active in carrying over "Harambee Week" fall quarter. Soror Careatha Daniels was the first Mrs. Black Georgia State University. Frances Mills was one of her attendants. Ryland Needom was Miss Alpha Phi Alpha, and Annette Savage served as Miss Lampodas for Omega Psi Phi.

The bright gleam of our vision has lighted the world, Delta Sigma Theta, our own.

## MPΣ

Mu Rho Sigma, founded at Georgia State in 1954, promotes friendship, scholarship, and service to the university among married women students. Membership is open to any woman student who is or has been married and desires to serve the university through the sorority.

Alpha Chapter encourages scholastic achievement among its members. Mu Rho Sigma has been the recipient of the Georgia State Scholarship Cup for the past three years. In addition, members of Mu Rho Sigma hold major offices in campus organizations and have received recognition for outstanding service and scholarship through the Crimson Key Award, Who's Who, Zeta Tau Alpha Woman of the Year award, and Mrs. Homecoming Court.

Activities of Alpha Chapter include service projects at the Fulton County Juvenile Home, annual scholarship award to a deserving student, and a program of academic re-entry orientation for married women. One of the newest school-wide events at the university is the Mu Rho Sigma sponsored "Stage Center," held during Winter Quarter and presenting talent from all departments of the University.

## ΦΣΣ

On November 26, 1913, Phi Sigma Sigma was founded at Hunter College in New York. Since that time it has grown into an international organization with chapters in the United States and Canada.

Beta Phi Chapter has been at Georgia State University for five years. During that time they have always strived for sisterhood, scholarship, and philanthropy. They have held the scholarship trophy several times in their short existence at Georgia State. For philanthropy, they spend many hours with children in the Atlanta Area hospitals.

One of the aims of Phi Sigma Sigma is to encourage its members to be active in campus affairs. Individual honors include AEPi Little Sister, pledge sweetheart of TKE, and Miss Freshman finalist.

Annual activities include the Founder's Day and Mother-Daughter Luncheons, both of which bring the mothers and daughters together in a sorority spirit. In addition, Phi Sigma Sigma holds an annual foreign student party in honor of all the international students at Georgia State.

## ZETA

As Zetas we take pride in our diversified interests and varied activities on campus. We have spirit! ... working with  $\Sigma N$  to build the "yellow brick road," making it through rush retreat with no water, and jumping into buckets of ice water at Sweepstakes. We have scholarship ... winning the scholarship trophy, having members in Alpha Lambda Delta, Crimson Key, and on the Dean's list. We have beauty! ... fraternity sweethearts, "Best Dressed Coed" (3 in a row), Rampway Court members, Brigade Sweetheart, and Belle Corps. We have leadership ... Panhellenic and Jr. Panhellenic Presidents, Crimson Key officer, and SGA senators. We have fun! ... Christmas spend-the-night parties (with a  $K\Sigma$  Santa no less!), National Convention at the Regency, Silver Crown, and trips to New York and Myrtle Beach. More important than any of these single qualities, we have Zeta Love to bind us together, "in a common bond of sisterhood."

## AEPi

Gamma Alpha Chapter of Alpha Epsilon Pi was established at Georgia State in 1953. Since its beginning, AEPi has been one of the most active national fraternities on the school's campus. Intramural sports, social events, highlighted by the annual "Riverboat Weekend" on the lake surrounding Stone Mountain, public service events including an active participation in the Empty Stocking Fund, and scholastics, which are emphasized to all of Gamma Alpha's members, provide a year round program that keeps all of AEPi's brothers and pledges working together. This provides the closeness that typifies Alpha Epsilon Pi.

The brotherhood of Alpha Epsilon Pi has produced many of Georgia State's student leaders. Members of AEPi have been president and vice-president of I.F.C., treasurer of General Council, members of Who's Who, and participants and active members of virtually every school activity.

While being small in number, AEPi is big in opportunities for its members. Almost every brother has the opportunity to be an officer, and to make the most of his leadership abilities. Because of this factor, Alpha Epsilon Pi expects active participation from each man who is honored with initiation into its brotherhood. And this is why AEPi can and has provided Georgia State University with men of character to help lead the student body.

## ΑΦΑ

No words can better describe the crisis facing America than those expressed by the late Malcolm X, who declared that "Today you have a new generation of black people who have come on the scene, who have become disenchanted with the entire system, who have become disillusioned over the system, and who are ready now and willing to do something about it." Zeta Mu Chapter of Alpha Phi Alpha Fraternity, Inc. agrees wholeheartedly with Malcolm X's proposition. Thus, in conjunction with our belief in Malcolm X's philosophy, Alpha Phi Alpha not only advocates the use of black power in winning full citizenship in America, but takes pride in being a part of black power.

As the late fraternal brother, Rev. Dr. Martin Luther King, Jr. once said, "If a man hasn't found something he will die for, he isn't fit to live."

Alpha Phi Alpha has had a short existence on Georgia State's campus, but during that time, its members have achieved much honor to their fraternity. Student Government activities see many Alpha Phi Alpha's taking part. This year we have members serving as Evening Sophomore Class President and Sophomore Class senator. Several members are presently serving as both chairman and co-chairman of General Council and Student Government Association Relations Committee.

Other brothers have served on Orientation and Pre-Orientation committees, in addition to being members of the GSU Band, International Students Club, United Student Alliance, Black Students United and named to Who's Who in Colleges and Universities.

## ATΩ

This year has been one of unprecedented growth for Eta Beta Chapter of Alpha Tau Omega, as exemplified by our receiving the Kenneth M. England Most Improved Fraternity Award. ATO's have served this year as chairmen of Conclave, Pre-Orientation, Homecoming, Activities Day, and Greek Week. In Student Government ATO's serve as president of General Council, Sophomore Class President, and two junior class senators, as well as Secretary of Inter-Campus Affairs. This year four brothers were named to Who's Who and ODK. In addition to this, five brothers were selected for Blue Key and six brothers were tapped into Phi Eta Sigma, freshman honorary fraternity.

The Tau's captured first place Greek Float Trophy at Homecoming, along with the 1969 Mardi Gras Concession Booth first place award.

In community activity, the Blue and Gold participated in the Vine City spring cleaning, and won first place in the Feed the Children Drive.

Since the fall quarter ATO's have been elected into the presidency of the Young Democrats, Young Republicans, and the Swim Club, as well as serving as captain of the Debate Team.

We feel that the creed of our founders serves well as our keynote: To bind men together in a brotherhood with a bond as strong as right itself as lasting as humanity.

Chi Phi Fraternity, founded on December 24, 1824 at Princeton University, is the oldest national social fraternity. The fraternity has traditionally been conservative in its growth and to date has 45 chapters throughout the nation.

The chapter at Georgia State was founded in 1968 by three men and today has twenty-eight members. In January, 1970, the colony became Chi Delta Chapter of Chi Phi Fraternity.

In its short existence, Chi Phi has participated in all the activities at Georgia State and has received honors in several of them. At the present time, brothers of the fraternity are members of General Council, S.G.A., Phi Eta Sigma, and O.D.K. They have held the position of President of General Council and parliamentarian of S.G.A. Four brothers have been named to Who's Who, and one as commander of the R.O.T.C. Brigade.

The brothers and pledges of Chi Phi Fraternity are proud to be among the Greeks at Georgia State University. We cordially invite anyone interested in the fraternity to come by and meet the men of CHI PHI.

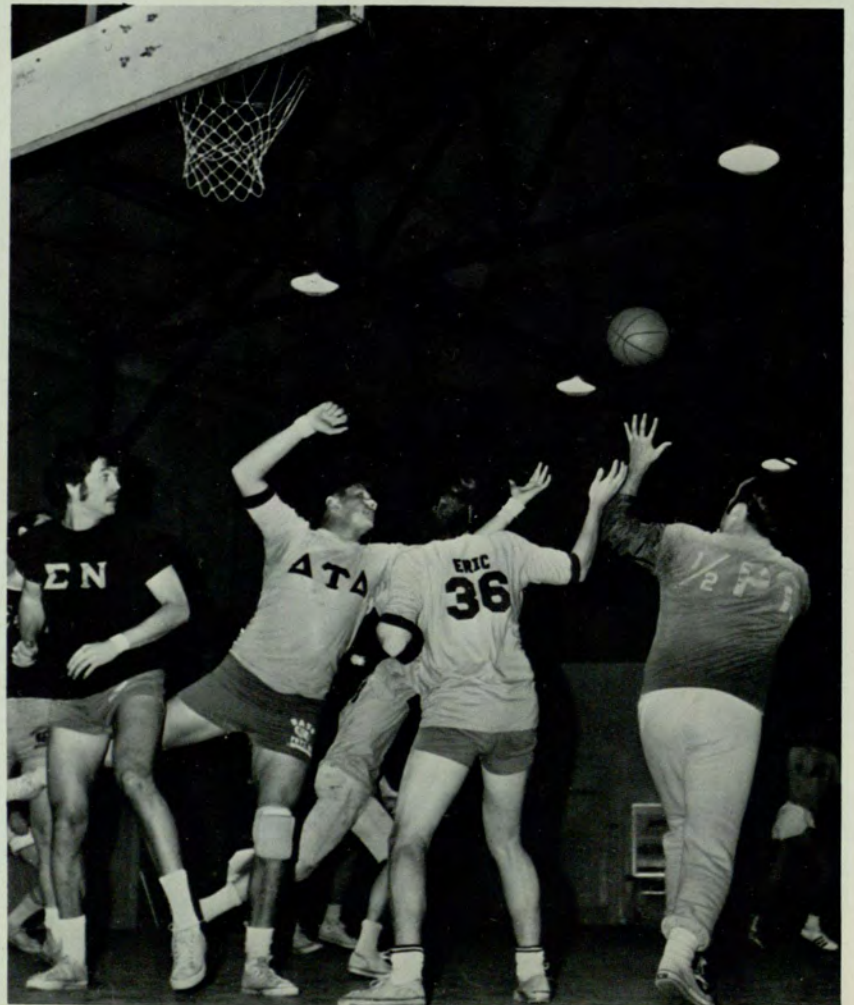

## ΔΤΔ

The Crescent Colony of Delta Tau Delta was conceived by two students in August of 1968. Their first rush was held in the spring of 1969. Eight months after that rush, the National office had recognized the potential of Georgia State. It granted colony status to Georgia State's fraternity in November of 1969.

The colony hopes to achieve chapter status in November of 1970. Georgia State's Colony has the distinction of being Delta Tau Delta's first "concrete campus" fraternity. The Crescent Colony stresses not only social life, but civic and academic responsibilities.

## KΣ

Kappa Sigma traces its origins to the year 1400 in Bologna, Italy, where a group of students first banded together in the bonds of brotherhood. Coming to the United States on December 10, 1869, with the founding of Zeta Chapter at the University of Virginia, Kappa Sigma has grown rapidly in both size and strength throughout the nation.

Today Kappa Sigma is one of the largest international fraternities, having some 164 chapters and 5 colonies and well over 100,000 brothers in the United States and Canada. Kappa Sigma has more than its share of men who have risen to greatness, and who have the renown which comes of it, in all walks of life. Perhaps even more significantly, we have brothers who have distinguished themselves in areas which are unpublicized, but whose contributions are no less great simply for want of publicity.

At Georgia State University, Kappa Sigma is best known for doing well any task it sets out to accomplish, whether it be giving the annual party for the kids at the Cerebral Palsy Center, having thirty-six brothers and pledges participate in the Vine City Clean-Up, sponsoring the athletic petition which gathered more than 6,000 signatures, winning the IFC All-Sports Trophy with first places in football and softball, or simply living up to the chapter's \*WE PARTY motto.

## ΠΚΑ

The brothers and pledges of Epsilon Nu chapter exemplify the spirit of brotherhood upon which Pi Kappa Alpha was founded. This spirit can be seen in all Pi Kappa Alpha does. Epsilon Nu is always considered to be in contention for any of the fraternal contests on campus and is the present holder of the Outstanding Fraternity Award and All-Sports Trophy.

Our social calendar shows that Pikes believe in good times. The Garnet and Gold Rush starts the year off, followed by the renowned Barn Party, Pledge Christmas Party, New Year's Eve Party, and ending with the Dream Girl Ball and famous Beachcomber party in the spring.

Scholarship is not to be forgotten, as can be seen by our past two years acquisition of the scholarship cup. We currently rank seventh in the nation by our point average out of the one hundred and fifty chapters that make up Pi Kappa Alpha.

The Little 500 Bike Race, sponsored by Pi Kappa Alpha for the Leukemia Society, is presently being reorganized in order to benefit those involved. This event has made many fine contributions to this Society, and will continue to do so in the future.

Participation in all these events equals brotherhood. Epsilon Nu chapter feels our combination is diversified and strong resulting in a realization of the intangible ideal of fraternal brotherhood sought by all fraternities at Georgia State.

We of Beta Kappa Chapter of Pi Kappa Phi, point proudly to the diversified achievements of our brothers and to the leadership they demonstrate. Ours is a fraternity of individuals whose interests span the entire university spectrum. We hold major committee chairmanships and various elective offices in campus organizations.

In our sixteenth year on campus, Pi Kappa Phi, sponsor of the Feed the Children, winner of Sing Night competition, and winner of the Circle K Most Outstanding Service Award, continues to be a pioneering force on our changing campus.

Pi Kappa Phi is composed of men with varied interests and backgrounds who are pursuing common goals and sharing common ideals.

**OUR SPIRIT IS UNIFIED—OUR BOND IS BROTHERHOOD.**

## ΩΨΦ

Zeta Theta Chapter of Omega Psi Phi is the newest fraternity on Georgia State University's campus. Zeta Theta at Georgia State was founded on August 30, 1969, by nine men of pure soul.

These men have established the close knitted brotherhood that is needed by all members of Omega Psi Phi. They believe that emphasis must be placed upon manhood, scholarship, perseverance, uplift, social activities, and most of all brotherhood. Here at Georgia State, Omega Psi Phi will instill all these qualities into each and every brother.

All the members of Zeta Theta chapter are Volunteer Probation Officers of Fulton County. This is just one of the many activities that is done by the chapter.

Omega Psi Phi is looking forward to a prosperous existence on Georgia State's campus.

Sigma Nu was founded one hundred years ago and boasts one of the most colorful and proud traditions of all Greek orders. It currently ranks among the top four national fraternities. Eta Gamma boasts this same Sigma Nu tradition of Brotherhood and Leadership at Georgia State. Sigma Nu's participate and hold offices in most of the activities at G.S.U. This year Sigma Nu's serve as President of the Student Body, Treasurer of the Student Body, Rampway section editors, SGA President and Senators, Vice President of Circle K, Secretary of Circle K, Chairman of Spring Festival, Chairman of Mardi Gras, ODK members, Who's Who, Manager of the Radio Station, Contributing editors of the Signal, and Sorority sweethearts. Upholding the tradition of Sigma Nu, Eta Gamma has been named the most outstanding fraternity on campus six out of the ten years it has been in existence at Georgia State University.

## ΣΦΕ

The Georgia Beta chapter of Sigma Phi Epsilon at Georgia State is part of one of the fastest growing fraternities in the United States. On November 1, 1901, the first chapter was founded, and since then has grown to one hundred seventy nine chapters and five colonies with a total membership of over 89,000 men.

This past year has been one of outstanding growth and spirit. Fall quarter began with sixteen new pledges gained during rush. First place honors went to the Sig Eps in the Alpha Phi Olympics as well as second place in I.F.C. football. The National chapter awarded the Georgia Beta chapter the "Excelsior" award for improvement in overall chapter operations.

During the Christmas season, SPE's participated in the Empty Stocking Fund drive and gave a party for the Ethel Harp's School for Children.

Several of the brothers have received awards of distinction during the year. Some of these include Who's Who, Commander of R.O.T.C., and treasurer of Inter-Fraternity Council.

Sig Eps have had a great year—a year to remember!

## TKE

Since its installation on November 29, 1968, Lambda Omega chapter of Tau Kappa Epsilon has had a remarkable growth. This growth has produced outstanding results as exemplified in the many achievements of the fraternity.

In sports, the men of Tau Kappa Epsilon have been outstanding. During their short existence on campus they have managed to capture the division championship in basketball, football, and softball. They placed three men on the all I.F.C. team, and were the recipients of the Timothy Singleton Athletic Achievement Award.

Individual honors have been numerous among the TEKES. The I.F.C. vice-president and Rush Chairman is a TEKE, as well as the presidents of the Senior and Freshman Classes. A Teke is Alpha Xi Delta Big Brother, Alpha Phi Pledge Little Brother, and Phi Sigma Sigma Little Brother. A Teke is also a member of Who's Who.

Off campus as well as on campus, TKE is well known. During their Public Service Week-end, the men of Tau Kappa Epsilon cleaned the grounds of the Scottish Rite Crippled Children's Hospital and visited with the children.

As a chapter TKE's have won the Alpha Xi Delta Chug-a-lug contest, and placed second in the Best Homecoming Float competition.

Tau Kappa Epsilon Fraternity has had a successful first year on campus. Their drive and ambition has been a credit to TEKES everywhere.

This year as Editor of the **Rampway**, I decided to alter some of the style that had formerly been used in the yearbooks here at Georgia State University. I feel the **Rampway** is a student publication and should be enjoyed by the students. The year in which Georgia State became a University will long be remembered, and I hope this yearbook will display some of the memories of it, its students and faculty.

As Editor of a publication you quickly learn that you can not accomplish your task alone, so I would like to thank a few people for their long hours of work and worry. Sharon Via, Fred Bray, Celine Payne were always available for help when a task needed fulfilling which was usually all the time. Without the able or unable assistance of Al Mullins the book would lack much of its humor. Finally I want to thank the person who has been by side through the good and bad of the **Rampway**, my patient fiance, Stan Snead. A special thanks goes to people who have given me a great deal of assistance, Mr. Ed Jones, Mr. James E. Sligh, Dr. Kenneth M. England, and my parents. Their advice and co-operation were most beneficial to me this year; I thank each one.

These people and the rest of the **Rampway** staff have devoted time, tears and effort to make this a yearbook for you, the students at Georgia State University.

Sincerely,

Ann Atkinson

**Rampway Editor**
