# Convenience

## AND LITTLE COURTESIES

**O**UR patrons appreciate the convenience of parking here, so close to Five Points. ¶ Wives bring the car downtown; leave it here; send their shopping purchases here; meet their husbands here at the end of the afternoon. ¶ Out of town parties scatter from here and re-assemble here. ¶ Telephones are handy; writing materials; magazines. Our waiting room is cool, clean, inviting, comfortable. ¶ It is at your service.

All these little extra values and many more are included in the moderate charges you pay for garage accommodations of a new kind—clean, roomy, cool in summer, steam-heated in winter, fireproof.
