**Q** Shop at Muse's—park your car in the Ivy Street Garage (3-hour service).—Have your car-claim-check stamped by Muse's, when you make your purchase—and the parking charge is charged to us!

The Ivy Street garage is nearby—just behind the Hurt bldg. Attendants receive your car at the door, give you a claim check, place your car safely—and return it to you, at the door, when you call. When this claim check is

stamped at Muse's, there is no charge for three hours' parking.

Chauffeurs may wait at the garage—the store will telephone to the garage when you are ready for your car. Use this service, it's for you!
